## This is an EcoPlus Student Planner

This type of student planner has 95% less plastic than the one currently uses. Its manufacture requires fewer transport steps, which means less carbon emissions.

In addition, your planner is printed on Canadian-made paper with the smallest environmental footprint in North America. This 100% recycled paper is FSC<sup>®</sup> certified, Processed Chlorine Free<sup>®</sup> and Ecologo-certified, and manufactured using biogas, a sustainable local energy source.

Your school did a good choice to reduce its ecological footprint.
